

SAMPLE
INDIVIDUALIZED SUPPORT PLAN
OTHER RESIDENTIAL

Project Name Here: XYZ Other Residential Program

Individual's Name: Joe Date: September 16, 2008

Identification Number: _____

This document is completed by the individual and significant people in the individual's life. The plan must identify the need for/extent of the service/support as well as the level/type of support to be provided. The plan identifies the projected outcomes and support needs of the individual. Outcomes must relate back to the PLB outcomes. Agencies will use Person Centered/Individual Support Plans in the delivery of service/supports to consumers.

Is a Person Centered Plan Available- **Yes** No
(Attach copy if available)

Outcomes:

1. Persons with developmental disabilities acquire new residential living skills that support them in their home and community with an increased level of independence and self-sufficiency.
2. Persons with developmental disabilities maintain residential living skills that support them in their home and community with a continued level of independence and self-sufficiency.
3. Persons with developmental disabilities form new relationships that support them in their home and community with an increased level of independence and self-sufficiency.
4. Persons with developmental disabilities maintain relationships that support them in their home and community with a continued level of independence and self-sufficiency.
5. Persons with developmental disabilities are satisfied with residential services received.

Identify and list individual's need for and extent of the service support to be provided:
Joe will be supported in developing a healthy exercise routine to address health concerns.

Joe will be supported in accessing opportunities within his community to form new relationships.

Discuss the level and type of support/service to be provided:

Joe will receive one to one support in accessing opportunities within his community to increased independence, as natural support are developed staff support will fade.

SAMPLE
