Warner's Corner was the place to be at Ranken Jordan Pediatric Bridge Hospital this afternoon! Gateway Tykes on Trykes teamed with The Arya Foundation, Recreation Council of Greater St. Louis, the Productive Living Board and Ranken Jordan to deliver therapeutic tricycles to six amazing kids and their family's.

Adaptive trikes provide kids with complex medical conditions all of the classic benefits of riding a bike: mobility, strength, exercise, coordination, interaction with family and friends, and fun...while also providing therapy and wellness.

Congratulations to Sawyer, Arianne, Jayce, Payton, Jacob and Lily who were celebrating the pure joy of freedom with their very own adapted tricycle!!
