

**Our Vision for St. Louis County:** Individuals of all abilities are provided with opportunities that allow them to fulfill their potential and live as respected and included members of the community

PLB invests over \$23 million in St. Louis County to create opportunities for people to thrive in the community and employment settings of their choosing

**FY 2018 Funding**  
(as of 11/30/17)

Employment Services focus on providing supports which enable individuals to successfully work in the setting of their choice.

Community Services focus on providing supports which enable individuals to successfully live in their home or the home of the natural family, and participate as members of the community.
